

Invest in your company's future

with an Apprenticeship at Lowestoft College

If you're running a business and want to build on your workforce why not consider taking on an apprentice?

An Apprentice is a great way to invest in your company's future and help make sure your employees have the skills and qualifications needed in the coming years. Apprenticeships combine training at work with college sessions giving people the chance to earn while they learn.

Lowestoft College is widely recognised as one of the best providers of Apprenticeships across East Anglia.
