

Earn *While You Learn*

with an Apprenticeship at Lowestoft College

An Apprenticeship is a great way for you to learn and gain skills and qualifications for the world of work. With an Apprenticeship you'll be able to combine training in the workplace with college sessions.

You'll also be paid a salary and benefit from the experience and knowledge of those already working in the industry. You will have a mentor at Lowestoft College who will follow your progress and work with the employer to make sure your training is well planned.

Are you interested in becoming an Apprentice?
Lowestoft College offers Apprenticeships in:

Boatbuilding
